

DIVISION ACHIEVEMENT AWARD

Technician Francis Malta

Along with financial assistance from the Career Firefighter's Association Technician Francis Malta took the lead in organizing and orchestrating a fund-raising project for Breast Cancer Awareness Month. Technician Malta designed and developed a Firefighter's Breast Cancer Awareness t-shirt, and began selling the shirts to all interested parties. He successfully raised more than \$12,000 for the cause, and fully 100% of the proceeds were donated to the Hurwitz Breast Cancer Foundation, which is an organization based locally here in Frederick County.

Technician Malta also brought honor and publicity to the Frederick County Division of Fire and Rescue when the shirt he designed and developed won first place for design in a nationwide contest.

Because of his dedication to those that he serves, his consummate professionalism, and his selflessness, Technician Francis Malta is hereby awarded the Division Achievement Award.
